ConnectAID
The International Solidarity Network

Introduction

01

ConnectAID is an environmental, social, and philanthropic **network of networks** focusing on achieving the UN Sustainable Development Goals.

The Problems

01

The world is in crisis.

Communities are suffering.

Our entire planet is affected.

Many people have lost trust the nonprofit sector.

Solidarity is lacking and everyone works in silos...

Until now...

ConnectAID
The International Solidarity Network

02

To connect, support, communicate about & advocate for SDG initiatives by building bridges and breaking silos between international organizations, foundations, corporations and individuals, for solidarity to become the norm.

- **A social impact network** connecting people and NGOs to action as well as a secure direct donation space to vetted NGOs
- **A Community of NGOs**, ambassadors, youth & volunteers
- **The tools nonprofits and foundations need** to communicate
- **An Academy** of schools, teachers & youth to educate the next generation about SDGs and coordinate actions...
- **Annual World Summits** of SDG Influencers
- **Podcasts & SDG Book Corners** presenting books and their authors
- **A weekly updated ranking list of SDG influencers**

04

We inspire others to take action for the SDGs:

- **50 online conferences/trainings/webinars** organized a year
- **Hundreds of posts, stories, videos and podcasts** per month created
- **NGOs nomination for international awards (250 000 USD granted)**
- **100 youth voices** and young Community Advocates trained
- **5 Field reporters** sent to India and Kenya to support our NGO Members...

Our network is comprised of:

- **2200 registered members**
- **A network of 550 SDG influencers, 200 schools and universities**
- **24 NGO Members positively impacting over 2,879,210 lives in 120 countries**
- **Several foundations and UN organizations**
- **30 renown Ambassadors and 50 Community advocates** from around the world
